

Hello fellow train enthusiasts! Our last meeting was at Kent's home and I want to thank him and his wife for hosting us. Thanks Kent!

There is no meeting scheduled for the month of October as a lot will be either hunting or other family things going on. However in November we will be having the train show as well as Aaron will be hosting us at the Passenger train car located basically 1201 West, North Temple in Salt Lake City, just south of the fairgrounds, there's a parking lot. It's in the south end of that parking lot. And that will be at 6pm. We will discuss the upcoming Christmas Party during this time.

I've FINALLY got the scoop about the upcoming train show November 7th from 3pm to 8pm and the 8th from 9am until 5pm. We are planning on setting up Friday morning at 9am out at the Stadler building and they are located 5880 West 150 South, Salt Lake City, 84104. They are asking for 5 volunteers to help out for 2 hour increments during the show weather it be for Ticket tables, family activities and to help coordinate the set up and tear down activities at Stadler. Jim Olsen will have the trailer at Stadler, so if anyone can come and help him setup our layout at 9am please contact Jim. His number is (801)856-9654

Ron Cevering can't obviously be in two places at one time, so the club layout will not be open at the Union Station in November

Train Shoppe at Gardner Village is open 10am to 6pm Monday through Saturday, but changes due to Witch fest which starts the 19th 10am to 6pm Monday through Thursday, then 10am to 8pm Friday and Saturday. Here's another note is they are charging for parking at Gardner Village on Friday and Saturday's, and through the month of October will charge for Thursday through Saturday.
